

Caradon In Bloom Awards 2008

It's that time of year again when the sun shines and we all have some time to appreciate the beauty of our springtime handiwork. Whether it is your own garden, patio, hanging baskets or the grounds of your business, SECTA would like to share with you your achievements this summer by inviting you to take part in our annual gardens / floral awards.

SECTA Garden / Floral Award Categories:

- Best Garden**, *looking at the total garden*
- Best Small Garden**, *looking at the total garden*
- Best Floral Garden**, *looking at the flowers rather than shrubs etc.*
- Best Floral Display**, *looking at pots, tubs, hanging baskets*
- Best Kept Garden**, *looking at the general upkeep*
- Best Newcomer**, *new SECTA member's garden*
- Conservation Garden**, *looking for eco-friendly elements*
- Best Holiday Complex** (formerly Best Caravan Park), *looking at the complex from the guest's perspective, reception area and/or complex in general*

So why not take part? Whether you are a Self-Catering or Serviced Accommodation provider, Restaurant, Café, Pub, Attraction, Associate or Supplier Member, there should be a category to suit your property. Just fill in the entry form (also on-line downloadable from the SECTA website) and send it in. Judging will take place in July, which gives you ample time to manicure the grass, trim the shrubs and dead-head the flower baskets. The award ceremony will be in October.

CARADON IN BLOOM MEMBERS' ENTRY FORM 2008
